III. EVENT REQUIREMENTS / OTHER INFORMATION:

1. Commission rules are included with this packet. Read and become familiar with these rules. You must also post these rules, along with your event license, at the place and time of your event.
2. Based on a survey of licensed fund-raising events (Casino / Reno Nites), an organization should plan to utilize a minimum of 30-40 or more bona fide members to effectively operate a 10-station activity. It is essential to remember that careful planning may make the difference between success or failure. Remember, only bona fide members that are 18 years of age or older may participate in the operation or management of a fund-raising event.
3. In accordance with WAC 230-25-020 you must notify your local law enforcement agency in writing at least ten (10) days prior to the fund-raising event and the gambling equipment must be available and set-up at least two (2) hours prior to the event for possible inspection. Any changes in time, date, or location must be approved by the commission and notice given to your local law enforcement agency.
4. If you do not own all gambling equipment needed, you have two options. You may either construct your own equipment or purchase, lease, or borrow the equipment from a licensed distributor or a licensed bona fide charitable or nonprofit organization (who has held a fund-raising event within the past twelve months). Rental of equipment (or the rental of the premises) must not exceed the maximum amounts allowed by WAC 230-25-120.

NOTE: Any charitable or nonprofit organization who rents or leases out fund-raising event equipment more than five (5) times per year must first obtain a Fund-Raising Event Equipment Distributor's license. A *Charitable / Nonprofit Organization – Lower Volume Activities* (GC4-004) application may be obtained from the Gambling Commission at the phone numbers listed below.

5. You must have a predetermined plan for awarding (as prizes) any money in excess of \$10,000 annual net receipts. The predetermined plan must be known to all event participants, and is subject to verification by law enforcement personnel during the event. Attached WAC 230-25-030 explains this requirement.
6. The organization's event manager must attend the mandatory training offered by the gambling commission. See attached WAC 230-04-020 and *Mandatory Training* (GC5-158) letter regarding this requirement.

Before mailing, recheck entire application – **have you missed anything?**

Enclose the correct fee and mail or deliver to the address shown on page 1.

YOUR APPLICATION AND THE PUBLIC RECORDS ACT

From the moment we receive your application, it becomes a public document subject to the Public Records Act (RCW 42.17) and other Washington laws. Per WAC 230-04-020 (4), the Commission may disclose to the public or discuss at a public meeting, all information set forth in this application and all supplemental information submitted. The Commission responds to public document requests through a Public Disclosure Request process. In the unlikely event that the Commission receives a public disclosure request regarding this application or the license file established, you may request in writing, that the Commission notify you of such request as provided in RCW 42.17.330.

RCW 9.46.0209 "BONA FIDE CHARITABLE OR NONPROFIT ORGANIZATION" "Bona fide charitable or nonprofit organization," as used in this chapter, means: (1) Any organization duly existing under the provisions of chapter 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (2) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the

sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. Such an organization must have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required. It must have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license. An organization must demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month period preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie

evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

For the purposes of RCW 9.46.0315 and 9.46.110, a bona fide nonprofit organization also includes a credit union organized and operating under state or federal law. All revenue less prizes and expenses received from raffles conducted by credit unions must be devoted to purposes authorized under this section for charitable and nonprofit organizations.

RCW 9.46.0233 "FUND RAISING EVENT" (1) "Fund raising event," as used in this chapter, means a fund raising event conducted during any seventy-two consecutive hours but exceeding twenty-four consecutive hours and not more than once in any calendar year or a fund raising event conducted not more than twice each calendar year for not more than twenty-four consecutive hours each time by a bona fide charitable or nonprofit organization as defined in RCW 9.46.0209 other than any agricultural fair referred to thereunder, upon authorization therefor by the commission, which the legislature hereby authorizes to issue a license therefor, with or without fee, permitting the following activities, or any of them, during such event: Bingo, amusement games, contests of chance, lotteries, and raffles. However: (a) Gross wagers and bets or revenue generated from participants under subsection (2) of this section received by the organization less the amount of money paid by the organization as winnings, or as payment for services or equipment rental under subsection (2) of this section, and for the purchase cost of prizes given as winnings do not exceed ten thousand dollars during the total calendar days of such fund raising event in the calendar year; (b) such activities shall not include any mechanical gambling or lottery device activated by the insertion of a coin or by the insertion of any object purchased by any person taking a chance by gambling in respect to the device; (c) only bona fide members of the organization who are not paid for such service or persons licensed or approved by the commission under subsection (2) of this section shall participate in the management or operation of the activities, and all income therefrom, after deducting the cost of prizes and other expenses, shall be devoted solely to the lawful purposes of the organization; and (d) such organization shall notify the appropriate local law enforcement agency of the time and place where such activities shall be conducted. The commission shall require an annual information report setting forth in detail the expenses incurred and the revenue received relative to the activities permitted.

(2) Bona fide charitable or nonprofit organizations may hire a person or vendor, who is licensed or approved by the commission, to organize and conduct a fund raising event on behalf of the sponsoring organization subject to the following restrictions:

(a) The person or vendor may not provide the facility for the event;

(b) The person or vendor may use paid personnel and may be compensated by a fixed fee determined prior to the event, but may not share in the proceeds of the event;

(c) All wagers must be made with scrip or chips having no cash value. At the end of the event, participants may be given the opportunity to purchase or otherwise redeem their scrip or chips for merchandise prizes;

(d) The value of all purchased prizes must not exceed ten percent of the gross revenue from the event; and

(e) Only members and guests of the sponsoring organization may participate in the event.

(3) Bona fide charitable or nonprofit organizations holding a license to conduct a fund raising event may join together to jointly conduct a fund raising event if:

(a) Approval to do so is received from the commission; and

(b) The method of dividing the income and expenditures and the method of recording and handling of funds are disclosed to the commission in the application for approval of the joint fund raising event and are approved by the commission.

The gross wagers and bets or revenue generated from participants under subsection (2) of this section received by the organizations less the amount of money paid by the organizations as winnings, or as payment for services or equipment rental under subsection (2) of this section, and for the purchase costs of prizes given as winnings may not exceed ten thousand dollars during the total calendar days of such event. The net receipts each organization receives shall count against the organization's annual limit stated in this subsection.

A joint fund raising event shall count against only the lead organization or organizations receiving fifty percent or more of the net receipts for the purposes of the number of such events an organization may conduct each year.

The commission may issue a joint license for a joint fund raising event and charge a license fee for such license according to a schedule of fees adopted by the commission which reflects the added cost to the commission of licensing more than one licensee for the event.

RCW 9.46.0261 "MEMBER," "BONA FIDE MEMBER."

"Member" and "bona fide member," as used in this chapter, mean a person accepted for membership in an organization eligible to be licensed by the commission under this chapter upon application, with such action being recorded in the official minutes of a regular meeting or who has held full and regular membership status in the organization for a period of not less than twelve consecutive months prior to participating in the management or operation of any gambling activity. Such membership must in no way be dependent upon, or in any way related to, the payment of consideration to participate in any gambling activity.

Member or bona fide member shall include only members of an organization's specific chapter or unit licensed by the commission or otherwise actively conducting the gambling activity: provided, that:

(1) Members of chapters or local units of a state, regional or national organization may be considered members of the parent organization for the purpose of a gambling activity conducted by the parent organization, if the rules of the parent organization so permit;

(2) Members of a bona fide auxiliary to a principal organization may be considered members of the principal organization for the purpose of a gambling activity conducted by the principal organization. Members of the principal organization may also be considered members of its auxiliary for the purpose of a gambling activity conducted by the auxiliary; and

(3) Members of any chapter or local unit within the jurisdiction of the next higher level of the parent organization, and members of a bona fide auxiliary to that chapter or unit, may assist any other chapter or local unit of that same organization licensed by the commission in the conduct of gambling activities.

No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.
